

## **FACULTY DISCLOSURES**

SPA-AAP Pediatric Anesthesiology 2018

March 23-25, 2018

The Society for Pediatric Anesthesia requires everyone in a position to control educational content (e.g. faculty, planners, reviewers, and others who controlled content) to disclose all relevant financial relationships with commercial interests.

*The ACCME defines a "**commercial interest**" as any proprietary entity producing, marketing, reselling, or distributing health care goods or services consumed by, or used on, patients, with the exemption of non-profit or government organizations and non-health care related companies.*
