SPA / JSPA 2003 Meeting

October 10, 2003, San Francisco, CA

Thursday, October 9, 2003

3:00 - 5:00 pm Registration / Poster Mounting
5:00 - 6:00 pm Welcome Reception

Friday, October 10, 2003

7:00 - 7:45 am Registration / Continental Breakfast / Poster Viewing
7:45 - 8:00 am Welcome and Introductory Remarks
Mark A. Rockoff, MD / Katsuyuki Miyasaka, MD, PhD

INNOVATIVE APPROACHES TO THE SURGICAL NEONATE

Moderator: Anne M. Lynn, MD

8:00 - 8:30 am *Fetal Surgery: The Surgical Perspective*
Michael Harrison, MD
8:30 - 9:00 am *Fetal Surgery: The Anesthesia Perspective*
Laura Myers, MD
9:00 - 9:30 am *The Japanese Approach to Congenital Diaphragmatic Hernia*
Shoichi Uezono, MD
9:30 - 10:00 am *Questions and Discussion*
10:00 - 10:30 am Break and Exhibits / Poster Viewing

THE UPPER AIRWAY IN PEDIATRIC ANESTHESIA

Moderator: Etsuro Motoyama, MD

10:30 - 11:00 am *Physiology of the Upper Airway*
Shiro Isono, MD
11:00 - 11:30 am *Sleep Apnea in Infants and Children*
Thomas G. Keens, MD
11:30 am - 12:00 pm *Questions and Discussion*
12:00 - 1:30 pm Lunch and Exhibits / Poster Viewing

MEDICAL AND ANESTHESIA CARE IN JAPAN AND THE USA

Moderator: Robert Crone, MD

1:30 - 2:00 pm *Problems of Health Care Systems in Japan and the USA*
Yumiko Nishimura, PhD
2:00 - 2:30 pm *Controversial Issues in Pediatric Anesthesia Training and Practice: In Japan*
Yasuhiro Shimada, MD, PhD
2:30 - 3:00 pm *Controversial Issues in Pediatric Anesthesia Training and Practice: In the USA*
Steven C. Hall, MD
3:00 - 3:30 pm *Questions and Discussion*
3:30 - 4:00 pm Break and Exhibits / Poster Viewing

SPECIAL LECTURE

4:00 - 5:00 pm *Beyond Borders - History of the Nobel Prizes*
Sten Lindahl, MD, PhD
Introduction: Shigeho Morita, MD
7:00 - 10:00 pm Dinner Reception - San Francisco Museum of Modern Art

SPA / JSPA 2003 Meeting

October 10, 2003, San Francisco, CA

Program Description

This will be the 17th Annual Meeting of the Society for Pediatric Anesthesia (SPA), but the first Joint Meeting of the SPA with its counterpart in Japan, the Japanese Society of Pediatric Anesthesiology (JSPA). As it becomes more apparent that practitioners of medicine, including anesthesia, around the world share many concerns and have much to learn from one another, the SPA and JSPA felt it would be useful to offer a combined meeting. Lectures will address many state-of-the-art issues in pediatric anesthesia as well as similarities and differences in the practice of medicine and (pediatric anesthesia in particular) in the two countries. The final topic of the day entitled "Beyond Borders" will review the history of the Nobel Prizes and truly highlights the intent of this international conference.

Simultaneous translation of all lectures will be provided in both English and Japanese, and there will be much time for discussion and interaction among participants. In addition, to help everyone learn about the hospitals where pediatric anesthesia is practiced in both countries, individuals are encouraged to present posters (with photographs) describing their hospitals. Finally, the program will conclude with a dinner buffet at the Museum of Modern Art which has been reserved for our exclusive use in the evening. This will feature a special musical performance by Fabio Mastrangelo, a pianist from Toronto, Canada and Sergei Slovachevsky, a cellist from St. Petersburg, Russia.

We hope you will enjoy this program and the opportunity to meet colleagues from around the world.

Program Co-Directors

Katsuyuki Miyasaka, MD, PhD

Mark A. Rockoff, MD

Program Objectives

Innovative Approaches to the Surgical Neonate

This session will review state-of-the-art care for neonates with severe congenital anomalies. The recent interest in fetal surgery in the USA will be discussed from both the surgical perspective (by the pediatric surgeon who pioneered the development of this field) and from the anesthesia perspective (caring for both mother and fetus). An alternative approach to caring for infants with congenital diaphragmatic hernia will be presented from the Japanese perspective.

THE UPPER AIRWAY IN PEDIATRIC ANESTHESIA

This session will discuss the physiology of the upper airway, sleep apnea in infants and children, and the implications for pediatric anesthesiologists.

Medical and Anesthesia Care in Japan and the USA

This session will begin with an overview of the problems of healthcare delivery in both Japan and the USA. There will be then presentations about important issues in pediatric anesthesia training and practice in both countries.

Special Lecture: Beyond Borders - History of the Nobel Prizes

The history of the Nobel Prizes will be reviewed by the first anesthesiologist (and a pediatric anesthesiologist at that!) to head the Nobel Prize Committee for Medicine.

Evening Reception / San Francisco Museum of Modern Art

Join your colleagues at the highly popular Annual Meeting Dinner Buffet Reception. This will be held from 7:00 - 10:00 pm at the San Francisco Museum of Modern Art, a short walk from the meeting's hotel. Attendees will be able to view the museum's exhibit halls and enjoy a special musical performance by Fabio Mastrangelo, a pianist from Toronto, Canada and Sergei Slovachevsky, a cellist from St. Petersburg, Russia. The cost for this event is included in the Annual Meeting Registration fee. Additional tickets for spouses or guests may be purchased in advance at \$75.00 per person. (Unfortunately, the museum does not permit anyone under the age of 21 to attend.) Please check the appropriate box on the registration form and include the proper remittance with your registration fee.

Registration Deadline

Responses to previous SPA Annual Meeting Programs have been very positive. We recommend that you confirm your registration as early as possible. Preregistration deadline is September 1, 2003.

SPA / JSPA 2003 Meeting

October 10, 2003, San Francisco, CA

Education Mission Statement

The Annual Meeting will focus on several areas of pediatric anesthesia and healthcare delivery. The overall goals for attendees of this program are to enhance their existing fund of knowledge, introduce them to new state-of-the-art issues that may affect their practice, and help them understand some of the similarities and differences between the practice of pediatric anesthesia in the USA and Japan.

Target Audience

This program is intended for anesthesiologists and other practitioners who care for children in their practice of anesthesiology and/or critical care medicine. It is also intended for clinical and basic researchers whose areas of investigation relate to pediatric anesthesia/critical care, as well as individuals interested in learning more about the practice of anesthesia in the USA and Japan.

CME Credits

The Society for Pediatric Anesthesia is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Society for Pediatric Anesthesia designates this continuing medical education activity for a maximum of 6.5 credit hours in Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Simultaneous Translation

All scientific sessions will offer simultaneous translation... English to Japanese and Japanese to English. Poster sessions and social events will offer informal interpretation.

Poster Submission Guidelines

Poster displays will be a special feature for this meeting. They are intended to present not just scientific abstracts related to pediatric anesthesia, but also summarize the practice of pediatric anesthesia at major hospitals and universities in the USA and Japan. Posters may either be scientific, institutional or related to the history of pediatric anesthesia. Abstracts submitted for presentation at the American Society of Anesthesiologists Annual Meeting may also be submitted for this Joint Meeting. The deadline for abstract submission to <www.pedsanesthesia.org> is July 1, 2003. Notification of acceptance will be sent by August 1, 2003. Complete poster submission guidelines will be available on the Society for Pediatric Anesthesia website at www.pedsanesthesia.org or the Japanese Society of Pediatric Anesthesiology website: www.ped-anesth.com.

Headquarter Hotel

Never before have SPA Annual Meeting registrants been able to reserve a premier ASA hotel room BEFORE the ASA brochure is even mailed. Registrants who also plan to attend the ASA Annual Meeting can make their reservation for the entire time they are in San Francisco when they reserve their accommodations for this SPA/JSPA joint meeting, and we encourage you to do so in order to ensure accommodations at the Westin St. Francis Hotel. Room rates at the Westin St. Francis will be less than the ASA's published rate if you use the SPA/JSPA Housing Form in this brochure. You only need to make ONE hotel reservation with your all-inclusive dates and you can do this now! Simply use the Hotel Reservation Form on the inside back cover and mail or fax in your reservation today. Don't wait until the ASA registration materials are mailed and you're unable to get a choice hotel room in San Francisco. Tradition, convenience, elegance... The Westin St. Francis Hotel offers everything a San Francisco visitor can want. Just blocks from some of San Francisco's best stores and restaurants, the Westin St. Francis offers timeless style and service. The location is perfect for shopping, theater, and dining. The hotel was built in 1904 and will bring you back to San Francisco of many years ago. However, it has been fully modernized and offers impeccable service including afternoon tea in the beautiful Compass Rose Lounge. This elegant room has been incredibly restored with wood-paneled walls, crystal lamps, and fluted columns. The hotel is located a short walk from the Moscone Convention Center and the Museum of Modern Art. It has been awarded the rare "4 Diamond" luxury award from AAA.

Travel Information

Association Travel Concepts (ATC) has been selected as the official travel agency for the SPA/JSPA joint meeting Joint Meeting October 10, 2003. ATC has negotiated discounts with United, Continental and Alamo Rental Car to bring you special airfares and car rental rates that are lower than those available to the public. To take advantage of these great rates and personalized service, call ATC at 1-800-458-9383, Fax: (858) 581-3988, email: atc@asntravel.com, or go to www.asntravel.com. ATC is available for reservations from 9:00 am until 8:30 pm Eastern Standard Time, Monday through Friday.
