

## **Abstract/Poster Award Eligibility**

All winners will be required to give an oral presentation in person at the SPA-AAP PEDIATRIC ANESTHESIOLOGY meeting. Please be sure that the presenting author will be available to attend the meeting and give the oral presentation before applying to be considered for one of the awards below.

### **SPA Young Investigator Awards:**

- ONLY Attending physicians less than three years out of training
- Research Only (no case report/series/reviews)

### **SPA Bosenberg Regional Anesthesia Award:**

- ONLY Residents and Fellows in Training
- Research Only (no case report/series/reviews) – Regional Anesthesia ONLY

### **SPA-APSF Quality/Safety Awards:**

- Trainees (students/residents/fellows) and Junior Faculty (Less than three years out of training)
- Quality and Safety Projects

***Previous Abstract Award Recipients:** To encourage recognition of a diverse group of investigators and presenters, individuals who have previously received an SPA abstract award are not eligible for future consideration of the same SPA abstract award. Previous recipients are encouraged to continue submitting abstracts for presentation; however, those submissions will not be considered for the SPA abstract award already received.*

### **AAP John J Downes Resident Research Awards\*:**

- ONLY Residents and Fellows in Training
- Research Only (no case report/series/reviews)

*\* Trainee researchers who are unable to attend the meeting in person may not be eligible to receive the award.*

### **CCAS Young Researcher Award**

- Less than three years out of training
- Research Only (no case report/series/reviews)
- Pediatric or congenital cardiac anesthesia ONLY
